

Move safely in traffic

Hold
hands

Walk
safely

Fasten
your seat
belt

The Green Code

ONE - Look for a safe walkway for crossing the road

TWO - Do not hurry, stop and wait

THREE - Look in both sides before crossing the road and make sure that there are no vehicles

FOUR - allow all vehicles to pass, cross the road safely but listen for the noise of the vehicles that may come

FIVE -when it is safe, cross the road walking straight, never running

SIX - while crossing the road keep looking

So, this is

THE SAFE CROSSING CODE
